Empathy Map

Create an empathy map to understand your customer/user from four perspectives - what they Say, Think, Do, and Feel - in relation to the problem your project addresses. This helps the team build a customer-centric solution.

SAYS • I want my credit card approved quickly. • I hope the application process is simple. • I want to know why my application is rejected.		THINKS Will my credit score affect approval? • Do I meet the bank's eligibility criteria? How can I improve my approval chances?
	PERSONA NAME Credit Card Applicant	
DOES Fills out the credit card • application. • Uploads the required documents. • Waits for the bank's approval decision.		FEELS Confused about eligibility. • Anxious while waiting for the result • Happy if the application gets approved.
